For Those
About To Rock

LE MODERNE Roche Bobois has teamed up with Fauchon L'Hotel Paris to create the exclusive Gourmet Bar which can be found in each of the exclusive Parisian hotel's suites, and is now available for private purchase. The custom pink armoire, designed by Sacha Lalic, features sliding shelves, drawers, and a refrigerator, to be filled with delicious treats from Fauchon, or from your own larder. roche-bobois.com

MODERN FAMILY

Refresh your decor with clean lines, sharp angles, and geometric patterns.

TAKE WING A modern take on the classic wing chair, Orson by Mitchell Gold + Bob Williams comes in nubby, faux shearling Sherpa, or leather. mgbwhome.com

SEEING DOUBLE From Civi, the Doppio table by Brad Ascalon combines high style with ultimate functionality. The table top can be flipped to change texture and material, and comes in natural, oak, and black finishes. civispac.com

SCENTSATIONAL Tom Dixon has made a career out of transforming and elevating everyday objects. Alchemy is his newest fragrance for the home, with sharp black pepper, woody cypress, eucalyptus, exotic patchouli, and smoky guaiac wood emanating from a spun brass vessel with a marble lid. tomdixon.net

ISLAND TIME From Eitis, these emblematic vinyl wallpapers are alive with subtle shades and metallic highlights. Lost in Plantation offers a bounty of botanical foliage in varying shades of green. eitis.fr
