product Reverie.
made in Brooklyn, New York.
standout The studio co-founder (with husband Nick) collaborates with their 5-year-old daughter, the result an expressionistic layering of abstract color fields. calicowallpaper.com

product Double Alexandre.
made in Brooklyn, New York.
standout A table lamp from the interior designer's second lighting collection has a customizable ash base that can be painted any Benjamin Moore & Co. hue. kimilletaylor.com

product Vala.
made in Hickory, North Carolina.
standout Belying its minimal and sleek footprint, the Icelandic designer's swiveling reclining armchair promotes rest and relaxation. dwr.com

product Sunnyside.
made in Duluth, Minnesota.
standout The New York designers extraordinaire teamed up to envision a modular lounge set with water-repellant cushions atop a slatted base of post-consumer plastic. loll designs.com
