product Ciel
standout The gently raked frames of this lean seating collection are hewed from weathered or natural teak, with optional Sunbrella cushions and a complement of coordinating tables and chairs. rh.com. **circle 974**

product Nara
standout Named for Japan's eighth-century capital, this very upright seating collection is crafted in an exceptionally dense teak to withstand the elements. royalbotania.com. **circle 975**

product Casilda
standout An architectonic frame in gold or bronze distinguishes this suite of modular lounges, sofas, chairs, and ottomans softened by simple cushions. talentisrl.com. **circle 976**

product Clip-board Picnic
standout Heavyweight FSC-certified hardwood planks—four for the picnic table, three per bench—act as levers to secure the trapezoidal steel trestle frames of this conjoined piece. lonc.nl. **circle 977**
